RE: Request to Amend Fiscal Year (FY) 2022/23-2026/27 Transportation Improvement Program (TIP)

Dear Mr. Woods:

The purpose of this letter is to request Lake-Sumter MPO amend the FY 2022/23-2026/27 TIP.

Projects #443623-1 has received federal highway planning grant funding to support activities of the I-75 Master Plan. Types of work this funding will support include community engagement, alternative concept identification and traffic analysis and modeling. This project will also assist future project phases as the Master Plan identifies specific projects and segments moving forward into the Project Development and Environment (PD&E) phase. This project must be added to the TIP to receive authorization to use the federal funding as programmed.

Please use the information in the table below to revise the TIP accordingly:

FM#	Project Description	Project Limits	Length	Phase	Fund Source	Amount	FY
443623-1	I-75 (SR 93)	Turnpike (SR 91) to SR 200	22.496 miles	PLN	HP	\$2,500,000	2023

As always, feel free to contact the Liaison Group at D5-MPOLiaisons@dot.state.fl.us if you would like to discuss further.

Sincerely,

Anna Taylor
