*MPO task force meetings are established as a workshop for members of the MPO's Governing Board and committees, agency staff members and the general public. Agendas focus on specific projects, which are discussed in greater detail at task force meetings than at committee and board meetings. Task force meetings are public meetings under Florida's Sunshine Law and minutes are taken. No quorum is required. Any action of the task force is advisory only.*

**"Promoting Regional Transportation Partnerships"**
