

**Meeting Minutes
East Lake Task Force
Wednesday, September 8, 2010
Lake County Administration Building
315 W. Main St. (Commission Chambers)
Tavares, Florida**

This meeting was used as a Long Range Transportation Plan to review and discuss the refined Cost Feasible Projects list and to provide policy direction for project selection.

T.J. Fish and Nick Lepp (RPG) led a discussion on the refined Cost Feasible Projects list. The following project categories were covered:

- Strategic Intermodal System (SIS) Corridors Project
- Florida's Turnpike Projects
- Orlando/Orange County Expressway Authority (OOCEA) Projects
- State Roads/Other Arterials Projects
- County Roads (Local Funds) Projects
- Multimodal Corridors Projects

Opportunity was provided for staff and public comments and the meeting was adjourned.
