**RE: Request for Administrative Modifications to Fiscal Year (FY) 2022/23-2026/27
Transportation Improvement Program (TIP)**

Dear Mr. Woods:

Florida Department of Transportation requests Lake-Sumter MPO make an administrative modification to the TIP for FY 2022/23-2026/27. During the Tentative Work Program development cycle, if a new project is added to Year One, this project will appear in the "new" TIP but will not be in the "old" TIP. The new TIP for FY 2023/24-2027/28 it is not recognized by FHWA until October 1. When authorization of federal funds for the project is needed prior to October 1, FHWA and FTA allow for an administrative modification to the "old" TIP to add the project. This may only occur between July 1 and September 30.

Please use the information in the table below to revise the TIP accordingly:
