V. ACTION ITEMS

A. Consideration of Amending the Transportation Improvement Programs (TIP).

FDOT has requested the following amendments to the approved FY 2020/21-2024/25 Transportation Improvement Program (TIP) and or the FY 2021/22-2025/26 Transportation Improvement Program adding or amending the following projects:

- FM#449239-1 Lake County Section 5307 American Rescue Plan (ARP) Funds for Small Urban Areas in the amount of \$1,998,405 for the TIP FY 2020/21-2024/25 and the new TIP FY 2021/22-2025/26. [TIP Amendments #4](#) and [TIP Amendment #2](#)
- 2021 Annual Roll Forward Report TIP Amendment. The Annual Roll Forward Report amendment is a routine action and part of the annual process for MPOs. The roll forward report reconciles differences in project information between the TIP and FDOT's Adopted Five-Year Work Program. Covers the "gap" between state and federal fiscal years for federal funding projects that were not committed/authorized during the previous state fiscal year. Ensures project information is reflected accurately in the TIP so federal funds can be authorized for expenditure on projects. [TIP Amendment #1](#)

B. Consideration of Amending the 2021 List of Priority Projects. The List of Priority Projects (LOPP) is a document that all Metropolitan Planning Organizations (MPOs) are required to develop annually. The LOPP represents the unfunded transportation improvements that were not programmed for the following five-year period in order of priority. The Florida Department of Transportation (FDOT) uses each MPO's LOPP to aid in deciding which projects should be added to their Work Program each year. The Lake~Sumter MPO approves its LOPP annually. Sumter County has requested to advance the unfunded Construction phase of the Marsh Bend Trail (CR 501) project in the LOPP, replacing the funded Marsh Bend Trail (CR 501) design phase using local funds.

The Lake~Sumter MPO and the River to Sea TPO, and the Ocala Marion TPO are preparing a grant submittal for the FLAP grant program for the Florida Black Bear Scenic Trail PD&E phase if needed approved by the three Governing Boards at their October meetings.

The Eastern Federal Lands Highway Division (EFLHD) of the Federal Highway Administration (FHWA) will be accepting Federal Lands Access Program (FLAP) applications in order to develop a multi-year program of projects for Federal Fiscal Years (FY) 2023 through FY 2026. All final project approvals will be contingent upon the availability of funds in the year for which they are being requested. An estimated total of \$11.6M will be available for programming in Florida.
