

2021 List of Priority Projects

Top 20

The annual List of Priority Projects (LOPP) is a critical step in the process of planning, programming and implementing the highest priority transportation projects within the [Lake-Sumter Metropolitan Planning Organization \(LSMPO\)](#) planning area.

The LOPP is the bridge between the Long-Range Transportation Plan (LRTP) and the annual selection of projects to program for funding in FDOT's Five-Year Work Program (WP) and LSMPO's Transportation Improvement Program (TIP).

Program Stability

The LSMPO Top 20 are the highest priority (Tier 1) unfunded projects in the LOPP, as approved by the LSMPO Governing Board. Projects remain in the Top 20 until they move forward to be programmed for funding in the Work Program and TIP. As projects are programmed and spaces open in the Top 20, projects move up from Tier 2. This continuous and consistent process provides greater predictability for local sponsors, improves coordination with FDOT, and increases priority project success.
