

Public Hearing for the 2019 Transportation Improvement Plan (TIP):

The MPO opened the Public hearing for the TIP on May 24, 2019. The MPO is looking for comments on the draft documents. The MPO Board is scheduled to approve the TIP at their June 26, 2019 meeting.

2019 Transportation Improvement Program (TIP):

The draft five-year Transportation Improvement Plan (TIP) document is based on several funding sources, especially the FDOT Tentative Work Program. Each year, FDOT conducts a process of proposing a Tentative Work Program, which occurred in December 2018. The tentative program becomes final as of July 1 of each year and covers the period from July 1, 2019, through June 30, 2024. Therefore, the MPO is required to adopt a new five-year TIP no later than the June meeting in order to concur and to be consistent with the projects in the FDOT program. The public review period will end at the June 26th meeting of the MPO Governing Board.
