MPO task force meetings are established as a workshop for members of the MPO's Governing Board and committees, agency staff members and the general public. Agendas focus on specific projects, which are discussed in greater detail at task force meetings than at committee and board meetings. Task force meetings are public meetings under Florida's Sunshine Law and minutes are taken. No quorum is required. Any action of the task force is advisory only.

Pursuant to the provisions of Chapter 286, Florida Statutes, Section 286.0105, if any person decides to appeal any decision made by the above named board with respect to any matter considered at the meeting, he or she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. All interested citizens are welcome to attend. Persons with disabilities needing assistance to participate in any of the proceedings should contact the Lake-Sumter Metropolitan Planning Organization at (352) 315-0170, 48 hours in advance of the meeting.
