

# TECHNICAL ADVISORY COMMITTEE AGENDA

**Wednesday, September 12, 2018  
Regular Meeting, 1:30 p.m.**

**225 West Guava Street, Suite 217  
Lady Lake, Florida 32159  
Phone (352) 315-0170 – Fax (352) 315-0993**

## **OPENING**

Call to Order  
Proper Noticing  
Determination of Quorum

## **I. REPORTS**

- A.** Florida Department of Transportation
- B.** Florida's Turnpike Enterprise
- C.** Central Florida Expressway Authority (CFX)
- D.** Sumter County
- E.** Lake County
- F.** Project Report
- G.** Committee Member and Staff Reports

## **II. AGENDA UPDATE**

## **III. COMMENTS FROM THE GENERAL PUBLIC ON ANY AGENDA ITEMS**

## **IV. CONSENT AGENDA**

### **A. Approval of August 8, 2018 TAC Meeting Minutes**

**Attachments:** [August 8, 2018 TAC Minutes](#)

### **B. Recommendation to Amend FYs 2018/19-2022/23 Transportation Improvement Program (TIP)**

Consider Approval of Amending the FYs 2018/19-2022/23 TIP. – Michael Woods, Interim Executive Director. The approved five-year TIP requires amendment for consistency with the FDOT Work Program.

**V. ACTION ITEMS:**

**A. Central Florida Metropolitan Planning Organization Alliance – Regional Priority Projects List.** CFMPOA FY 2018/19 Regional List of Priority Projects and Process.

The Central Florida Metropolitan Planning Organization Alliance (CFMPOA) has been active as a six-MPO forum for more than a decade, meeting quarterly to address regional transportation issues and legislative items. The group has been successful in building consensus on regional transportation issues by working together to complete a variety of regional planning studies and by adopting policies that promote regional transportation decision-making. In 2013, the Alliance adopted a transportation project prioritization process to provide clear support to the Florida Department of Transportation regarding the collective priorities for the region. This process is used to create a Regional List of Project Priorities (LOPP) that respects the independent decision-making of each member-MPO while working through the CFMPOA to collectively benefit from a regional prioritization process. By working as an Alliance to prioritize appropriate regional projects, each MPO will individually benefit while also benefitting the Central Florida Region. Through a unified approach, additional funding resources can be leveraged by working as an Alliance with the Florida Department of Transportation (FDOT).

The staff directors have been meeting over the summer to update the priority process and produce a draft regional LOPP for approval by each of the region's six MPOs. Attached are the draft CFMPOA FY 2018/19 Regional List of Priority projects and the updated Priority Projects Process for you review and approval.

**B. Transportation Measures and Targets:**

Review and discuss Federal Performance Measures and FDOT's Initial Targets for Pavement, Bridge and System Performance, freight and Congestion Mitigation and Air Quality (CMAQ) and to consider adopting those targets.

On December 13, 2017 MPO Board adopted Safety Performance Measures (PM1) to meet new Federal Highway Administration (FHWA) requirements. FHWA has established an additional set of performance measures for Pavement and Bridge (PM2) and System Performance for the National Highway System (NHS) freight, and Congestion Mitigation and Air Quality (CMAQ) (PM3). Of note, the CMAQ does not apply to Florida as the entire State is in attainment for air quality standards.

The FDOT initial performance measures targets for PM2 and PM3 were released on May 20, 2018, and the information is attached. Based on the guidance from FHWA, FDOT will make risk-based decisions from a long-term assessment of the National Highway System (NHS), and other public roads included in the plan, as it relates to managing its physical assets and laying out a set of investment strategies to address the condition and system performance gaps. Each of the MPOs have until November 16, 2018, to accept the FDOT targets, or develop their own targets.

**VI. DISCUSSION ITEMS**

**A. Transportation Management System (TMS): Brian Hutt, TMS Project Manager and Francis Franco, GIS Project Manager.**

The Lake~Sumter Metropolitan Planning Organization (MPO) entered into an inter-local agreement in 2017 with Lake County and its fourteen (14) municipalities. This inter-local agreement, effective February 22, 2017, designated the MPO as the administrator of the transportation management system (TMS) for each of these local governments.

**B. Mobility Week October 27<sup>th</sup> – November 3<sup>rd</sup>, 2018**

Join us in celebrating the third annual Central Florida Mobility Week from October 27 – November 3, 2018.

Mobility Week, successfully launched in 2016, is an annual collection of outreach events intended to bring attention to safe multimodal transportation choices. During Mobility Week, cities, counties, and transportation partner agencies host events to promote [transportation choices](#), highlight transportation achievements, and roll out new initiatives or policies. [Click here](#) to find out more about the events and activities from the last two years.

**VII. PRESENTATIONS:**

**A. ReThink your Commute – Program Update**

About reThink: At reThink Your Commute, we promote smart transportation solutions for the region's workforce. We bring together businesses and employees to explore the shared benefits of carpooling, vanpooling, transit, biking, walking and telecommuting. By connecting commuters with alternatives to driving alone, our program strengthens our area's quality of life by decreasing traffic congestion, improving air quality, conserving natural resources and helping people save money.

reThink Your Commute is a Transportation Demand Management (TDM) program of the Florida Department of Transportation, serving District 5. Find out more about the program in our annual reports. Link to website: [reThink your Commute](#)

**VIII. INFORMATIONAL ITEMS:**

**A. [EDC-5 National Orientation Webinars on: Value Capture - Capitalizing on the Value Created by Transportation. September 25, 2018.](#)**

FHWA will conduct a webinar on Value Capture - Capitalizing on the Value Created by Transportation. Value Capture is a set of powerful funding tools that can help address funding gaps, can be part of the mix of funding sources for transportation improvement solutions, and can accelerate project delivery, save time and money, and enhance safety when done properly. See attached registration form for more information.

**B. TRANSPORTATION FOR AMERICA'S - Guiding Principles for Infrastructure Investment.** Transportation for America is an alliance of elected, business and civic leaders from communities across the country, united to ensure that states and the federal government step up to invest in smart, homegrown, locally-driven transportation solutions. These are the investments that hold the key to our future economic prosperity. t4america.org @t4america. America must invest and innovate to strengthen our economy, our communities. **IX. ADJOURNMENT - NEXT MEETING: October 10, 2018 @ 1:30 p.m. @ Lake~Sumter MPO, Lady Lake Library, 225 West Guava Street, Suite 217**

Pursuant to the provisions of Chapter 286, Florida Statutes, Section 286.0105, if any person decides to appeal any decision made by the Lake~Sumter Metropolitan Planning Organization with respect to any matter considered at the meeting, he or she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. All interested citizens are welcome to attend. Persons with disabilities needing assistance to participate in any of the proceedings should contact the Lake~Sumter Metropolitan Planning Organization at (352) 315-0170, at least 48 hours in advance of the scheduled meeting.
