

LAKE~SUMTER METROPOLITAN PLANNING ORGANIZATION

North Lake~Sumter Task Force

MINUTES

Thursday, September 9, 2010

**Lake~Sumter MPO
1616 South 14th Street
Leesburg, Florida**

This meeting of the Task Force was used to workshop Transportation 2035, specifically to review and discuss the refined Cost Feasible Projects list and to receive policy direction for project selection from the Task Force.

Kate Ange, Renaissance Planning Group, gave a presentation on the Transportation 2035 Cost Feasible Projects Presentation.

T.J. Fish provided background information then led a discussion on the following:

- Strategic Intermodal System (SIS) Corridors Project
- Florida's Turnpike Projects
- Orlando/Orange County Expressway Authority (OOCEA) Projects
- State Roads/Other Arterials Projects
- County Roads (Local Funds) Projects
- Multimodal Corridors Projects

An opportunity was provided for comments from Task Force members, staff and the public, followed by meeting adjournment.
