VISIONARY MAP OPPORTUNITIES

1. The map does not require or empower any unit of the local government, regional government or any state agency to impose additional or more restrictive environmental, land use or zoning regulations.
2. The map may not be used as a basis for permit denial, imposition of any permit condition by any subdivision of local, regional or state government.
3. Identification of named, existing or proposed subdivisions is solely for planning purposes and not for regulatory purposes.
4. The establishment of the Lake County Visionary Map is a planning process.
5. This map represents a vision of possible opportunities for the overall road network system for Lake County.
