

2026 List of Priority Projects (LOPP)

What is the List of Priority Projects?

The List of Priority Projects is updated annually to identify LSMPO's **top priority projects** for inclusion in the Transportation Improvement Program (TIP) and FDOT Five-Year Work Program.

- The 2026 LOPP is streamlined with the **2050 LRTP Cost Feasible Plan**. It is the **first 10 years** of the 20-year LRTP Cost Feasible Plan.
- As projects are funded, both the LOPP and 2050 Long Range Transportation Plan (LRTP) will be amended.

2026 LOPP Dashboard

In addition to the 2026 TIP Dashboard, a 2026 LOPP Top Projects Dashboard was developed for project review:
